

Certified Production Technician

250 Hour Program (Completed in 3 Months)

HOW TO START

Your first step is to attend a FREE orientation session at the Workforce Development Center. The WDC is located on the corner of Walden and Harlem at 1526 Walden Avenue in Cheektowaga. At orientation, you'll learn about the program, funding opportunities, and you'll take a test in basic math and reading. Orientations run most Fridays at 9:00 am and on some Thursdays at 5:00 pm.

ADMISSION REQUIREMENTS

- A TABE score of 9.0 in reading and 7.0 in math is required*.
- A personal interview will be conducted.
- A valid high school diploma or equivalency is required.

PROGRAM DESCRIPTION

Gain understanding of the skills needed to obtain employment as an entry level Certified Production Technician. The program focuses on four major areas of instruction: Safety, Manufacturing Processes and Production, Quality Practices and Measurement and Maintenance Awareness. Students will earn the National Work Readiness Credential, National Manufacturing Skills Standards Council (MSSC) Credential and OSHA 10 for General Industry.

COST

The cost of the program is \$2,625. Financial assistance may be available through ACCES-VR, CFA Funding, NETC, the US Department of Veterans Affairs, or other sources.

EMPLOYMENT OUTLOOK

Previous employers include Multisorb Technologies, Tapecon, Sealing Devices, Manitoba, and General Mills. Entry level Certified Production Technicians can expect to earn an average of \$13.00 to \$15.00/hour. A Placement Specialist is on staff to assist you with resume writing and interview skills.

*Exceptions to admission scores may be considered based on work history, prior education, personal interview, and employer recommendations.
